

One Hundred First Legislature - Second Session - 2010
Introducer's Statement of Intent
LB 1033

Chairperson: Brad Ashford
Committee: Judiciary
Date of Hearing: February 4, 2010

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Legislative Bill 1033 amends section 18-1703 enacted by LB 430 (2009).

Currently, section 18-1703 prohibits cities and villages from regulating the ownership, possession, or transportation of a concealed handgun of a Concealed Handgun Permit holder. LB 1033 would amend this section by adding “registration” after the terms “ownership, possession, or transportation,” preventing cities and villages from requiring registration of concealed handguns of a Concealed Handgun Permit holder.

Since the passage of LB 430, there has been confusion, specifically in the City of Omaha, regarding the City’s handgun registration ordinance. Questions whether Omaha’s registration ordinance applies to Concealed Handgun Permit holders, especially a permitholder who resides outside of Omaha, have arose, giving need for clarification to the original intent of section 18-1703.
